To

Comptroller to the Government of Mysore,
B A N G A L O R E.

Sir,

With reference to your letter No.83/Budget dated 25th March 1920 and in continuation of letter No.86/F.19-4 dated 27th March 1920, I have the honour to forward herewith, in duplicate, ~~of the~~ the Budget Estimates of the Census Department for the year 1920-21, duly revised in accordance with the request contained in your letter under reply The estimate provides for an expenditure of Rs.74,000 for the general Census of 1921, against Rs.50,000 proposed by you probably on the ground that it was the sum sanctioned in the first instance by Government for the corresponding year during the last Census, viz. the year 1910-11. But I may invite your attention to the fact that later on in the same year, an additional sum of Rs.22,000 was sanctioned in Government Order No.Fl. 3928-9/Cen.277-10 dated 23rd January 1911 making the total budget allotment for 1910-11, Rs.72,000. The sum proposed this time is therefore in excess of the sum sanctioned last time by only Rs.2,000, a sum which will be admitted to be very moderate, when it is remembered how enormously the prices of materials have gone up during the last ten years. The enhanced salaries of the Census Superintendent and the Assistants and the establishment as well as the fact that the 2nd Assistant entered on his duties much earlier than last time, contribute very largely to the increase. This is counter-balanced to some extent by keeping the probable expenditure under other heads as low as possible. The net result is thus an excess of only Rs.2,000. Detailed explanation

explanation for the fluctuations under each of the items is given in Annexure B. to this letter.

2. Agreeably to the directions contained in the Chief Secretary's - letter No.G.22317/Cen,11-19-1 dated 27th March 1920 (copy enclosed fo ready reference, Annexure C.) a sum of Rs.13,900 has been provided in the Census Budget, for the Gazetteer work, which has been assigned to me as Census Superintendent (Vide G.O. No.C.B.951-3/C.B.133-19-1 date 9th January 1920).

3. For the reasons given in detail in the explanatory Memo accompanying this letter (Annexure B.), I request you to be good enough to - ecommend the acceptance of the budget as now proposed without any al terations.

4. As required in para 2 of your letter under reply, a copy of this letter, as well as of its annexures (excepting annexure C), is being transmitted to the Chief Secretary to Government

I have the honour to be

Sir,

Your most obedient servant

(2) Inclusion in Census Budget of the salary of the Assistant Commissioner and pay of the establishment sanctioned for the revision of the Mysore Gazetteer(Vide Chief Secretary's Letter No.G.22317/ Cen.11-19-1 dated 27th March 1920 copy of which is herewith enclosed). [c] The provision under (3) is greatly which the case at this time last time. Owing to the insufficient staff enter on his duties only in December in the Census of 1911, the actual expenditure was less than the amount provided in the budget, but this time there is likely to be heavy touring work both the Assistants into having already joined. The full provision of Rs.5,100 may therefore be retained.

No provision has been made for house-numbering which will be taken up and completed this year (1910-20) alone.
